Limited plant quantities. Substitutions or refunds if necessary.

No guarantee on plants sold.

NEW THIS YEAR: *Many new plants we have never offered before! More time to order, pickup is several weeks later (so plants are larger). There will be LOTS MORE plants to purchase on the day of pickup – azaleas, as well as other blooming shrubs and perennials! Pickup is **ONE DAY ONLY** on Saturday, April 13. AND, this year we are offering "chances" for one lucky customer to receive an unusual and gorgeous 5-foot tall Japanese maple!*

BE SURE TO LOOK AT OUR COLOR "PLANT DESCRIPTIONS AND PHOTOS" LISTS WHEN MAKING YOUR SELECTIONS!

FIND THEM ONLINE AT: www.gammg.org or <http://extension.uga.edu/county-offices/lumpkin/4-h-youth-development.html>

We want to offer you the most interesting, unusual and reliable plants through our annual plant sale – you won't find these in the "Big Box Stores"! This year we REALLY have a great selection at super fantastic prices (some less than last year)! All proceeds from our annual plant sale are used right here in our community for both 4-H and Georgia Mountains Master Gardeners' projects.

When filling out your order, enter number of plants of each type in the "How Many" column on the same line as the plant you want to order. Then multiply the "Cost Each" amount by the number of plants in the "How Many" column to calculate "Total Cost" for that line. When finished, add all the numbers together in the "Total Cost" column for your "Order Total".

PLANT PICKUP: ONE DAY ONLY Saturday, April 13, 9:00am – 3:00pm
Lumpkin County Roads / Recycling Department,
1646 Red Oak Flats Road, Dahlonega

While waiting for your order to be gathered by 4-H/Master Gardeners, please visit the "Ask a Master Gardener" table for answers to questions concerning the plants you have purchased or any other gardening questions.

4-H and GMMG members will help transport plants to your vehicle.
